

**End Of The World
Before You Exit**

This is DEFINETLY not how they play it, but I think it s close!

G , Cadd9

Na na na na na na na
Na na na na na na
Na na na na na na na
Na na na na na na

(hammer on) **Em , Cadd9**

Hey girl watcha say
Why you pushin me away
Wishin we were closer
But we re not
Do you want me to go away now
Or to stay
You can t have it both ways
You re like a rollercoaster
Cause you re up
Then you re down

D

Can t you see?

Em

I m all in and

Cadd9 D

It s just not like me

To want you, want you

G , Cadd9 , G , D

Want you to love me
Like it s our last day, baby
Love me like it s our last day, girl
Want you to love me like it s our last day, baby
Love me like it s the end
Love me like it s the end of the world

(And then the whole thing repeats again)

Na na na na na na na
Na na na na na na
Na na na na na na na
Na na na na na na

Hey, girl
What s it take
To get your heart
Before mine breaks
I ve been giving my all
Don t leave me on
To let me fall

Can t you see?
I m all in
It s just not like me

To want you, want you
Want you to love me
Like it s our last day, baby
Love me like it s our last day, girl
Want you to love me like it s our last day, baby
Love me like it s the end
Love me like it s the end of the world

(still figuring out the bridge, will post soon)
Like it s the end of the world
End of the world

We can t afford to fake it
This is our time to make it
Like it s our last few seconds
Why can t you give us a chance?

Want you to love me
Like it s our last day, baby
Love me like it s our last day, girl
Want you to love me like it s our last day, baby
Love me like it s the end
Love me like it s the end

Want you to love me
Like it s our last day, baby
Love me like it s our last day, girl
Want you to love me like it s our last day, baby
Love me like it s the end
Love me like it s the end
Love me like it s the end of the world

Na na na na na na na
Na na na na na na
Na na na na na na na
Na na na na na na
