I Like That
Before You Exit

This is my first tab so..... Ya the chords mostly play through the entire song
Intro **G D A D**

```
    G              D            A         D
You ve got that smile, you ve got it all
    G.             D.            A.        D.
You know I m right, you think I m dead wrong
     G.            D.            A.        D
You ve got that face,You ve got that laugh
      G.        A.          D
I know you re shy,And girl I like that

    G.              D.                    A
Can t find a mirror to see what I see in you
    G.              D.               A.       D
But I will follow you until you see it too
     G.            D.                  A
I know I can t help but love everything you do
     G.              D.   A
But you can t see that and girl I like that
     G.              D.                    A
I ll be there when you don t know what you should do
     G.                     D.         A    D
If you heart breaks I ll be there to fix it too
     G.              D.                 A
I know I can t help but love everything you do
     G.            D.    A
But you can t see that and girl I like that
 G.     D.   A.    D
I, I, I, I like that
I, I, I, I like that

So take my world, just take it all
I d cross the earth, to break your free fall
I d run the streets, to show you that
I m so in love
G                        D     A.      D
You got glasses on. I, I like that
G.                       D.    A.    D
Sing this song. I, I like that
G.           D.          A   D
Girl it s on . I, I like that
G.        D.    A.    D
I, I, I, I like that

G.                   D.     A.    D
No makeup on .I, I like that
```

```
G.                 D.              A.        D
Sing this song. I, I like that
G.          D.      A.         D
Girl it s on .I, I like that
G.      D.        A
I, I, I, I like that

I, I,

Can t find a mirror to see what I see in you

But I will follow you until you see it too

I know I can t help but love everything you do

But you can t see that and girl I like that

I ll be there when you don t know what you should do

If you heart breaks I ll be there to fix it too

I know I can t help but love everything you do

But you can t see that and girl I like that

I, I, I, I like that
I, I, I, I like that
I, I, I, I like that
I, I, I, I like that
```
