Intro: **A E D A E** x2

Verse 1.:

A	E				
Long ago I don t know when					
D		A	E		
That s when they let the water flow in					
A	E				
They said it s time, it s time to begin					
D	A	E			
So they let the water flow in					

Chorus 1:

A		E			
Let the water flow, let it flow right in					
D	A	E			
Come on baby, let s take a swim					
A	E				
Let the water flow, let it flow right in					
D	A	E	D	E	back to A
Come on baby, let s take a swim in love					

Verses are the same and choruses are the same. On the key change just insert C for B and G for F# and F for E. Have fun even though you probably won t have the 40 drunken girls singing the last chorus with you. Enjoy.
