```

Intro: **C F G F C F G F**

Verse 1:

```
[tab]C      F      G      F      C      F      G      F
You spent the whole summer sleepin in and breakin rules[/tab]
[tab]C      F      G      F      C      F      G      F
Now it s time to wake up and get your ass back to school[/tab]
[tab]C      F      G      F      C      F      G      F
It s oh so sad to say goodbye to your new found friends[/tab]
[tab]C      F      G      F      C      F      G      F
You really wish the summer would never end[/tab]
```

Bridge 1:

```
[tab]F      G      C
No more singin in the rain[/tab]
[tab]F      G      C
No more laughin away the pain[/tab]
[tab]F      G      C
No more sayin that you would[/tab]
[tab]F      G      C
No the summer s gone for good[/tab]
```

Chorus 1:

```
[tab]      G      F      C
It s the last day of summer[/tab]
[tab]G      F      C
No more fun or beer[/tab]
[tab]      G      F      C
It s the last day of summer[/tab]
[tab]G      F      C
Fall will soon be here[/tab]
[tab]G      F      C
Where did the summer disappear[/tab]
[tab]G      F      C      F      G      F
And I ll see you next year[/tab]
```

Great song to play especially in late august, early sept. Pop a corona
and enjoy this one!!!! Great tune :)
