Verse 2.

You never know what the nightlife holds
The cards are down and the table s rusted
I guess the key to growing old
Is having lots of fun and not getting busted
My time has come
There s got to be a better way of life
My time has come
And my time is now

Chorus:

Change:

D Bb

Take me to a higher mountain

D G7

Skyscraper, tell ya later

(Repeat 4 times)

Verse 3.

What a day today has been
I ve got the whole world upon my shoulders
My future s bright but my face is thin
I picked the wrong day to be hungover
My time has come
There s got to be a better way of life
My time has come
And my time is now
