

**Destruction Is Incapable Of Creation  
Behind Crimson Eyes**

intro: **F#m C#m D E**

**F#m C#m**

Close your eyes

**D E F#m C#m**

And pray he doesn't hear you, as you sleep tonight

**D E F#m C#m**

The air is icy cold and I can feel your body shake

**D E F#m C#m D E**

And you know you're not alone, you're not alone

**D E F#m**

And all hope is long gone

**D E F#m**

As the weakness will pull you down

**D E F#m D**

To wake again is the only blessing

**E**

Cause you're not dreaming

(repeat intro)

**F#m C#m**

closer now

**D E F#m C#m**

Hollow are the footsteps as they make a sound

**D E F#m C#m**

You realize you're not breathing and there's nothing you can do

**D E F#m C#m D E**

But stare into the eyes of what didn't exist until now

**D E F#m**

And all hope is long gone

**D E F#m**

As the weakness will pull you down

**D E F#m D**

To wake again is the only blessing

**E**

Cause you're not dreaming

(repeat intro)
