[Verse 1]

G
And a fall from you
A **Bm**
Is a long way down, I ve found a better way out
G **G**
And a fall from you
A **Bm**
Is a long way down, I know a better way out
G G A Bm

[Verse 2]

Well, it s been a long time since I ve seen you smile
 Gambled away my fright till the morning lights shine

It s been a long time since I ve seen you smile
 Gambled away my fright till the morning lights shine

G G A Bm

[Verse 3]

D Em
Sunday morning only fog on the limbs
G D
I called it again, what do you know?
D Em
And I filled our days with cards and gin
G D
You re alight again, my dear

D Em G D

[Verse 4]

D
Em
 I will lead the way, oh, lead the way when I know
G
D
 And I ll sleep away, oh, sweep away what I don t

D

Em

Well, seize the way, oh, seize the way, no, I won't

G

D

I will lead the way, oh, lead the day when I know
