G G A Bm

[Verse 1]

G **G**
And a fall from you

A **Bm**
Is a long way down, I ve found a better way out

G **G**
And a fall from you

A **Bm**
Is a long way down, I know a better way out

G G A Bm

[Verse 2]

G **G**
Well, it s been a long time since I ve seen you smile

A **Bm**
Gambled away my fright till the morning lights shine

G **G**
It s been a long time since I ve seen you smile

A **Bm**
Gambled away my fright till the morning lights shine

G G A Bm

[Verse 3]

D **Em**
Sunday morning only fog on the limbs

G **D**
I called it again, what do you know?

D **Em**
And I filled our days with cards and gin

G **D**
You re alright again, my dear

D Em G D

[Verse 4]

D **Em**
I will lead the way, oh, lead the way when I know

G **D**
And I ll sleep away, oh, sweep away what I don t

D

Em

Well, seize the way, oh, seize the way, no, I won't

G
