[intro] A E Bm

A E Bm
We tell tales to be known
A E Bm
Or be spared the sorrow

A E Bm
You re so fair to behold
A E Bm
What will be left when you re gone?

A E Bm
And it changed everything you know
A E Bm
How we were and the wonders we love
A E Bm
Southern land, scattered clouds from the cold
Bm A E Bm
And, oh, oh, oh, oh, spare me the glow

(A E Bm)
