Bbm Db Ab

And I know when time

Ebm Bbm

will pass by slow

Db

without my heart

Ab Ebm

what can I do

you re in the halls

the bell gives way to a larger swell

without my heart

what can I do, oh

wroclai

and we grow fat

on the charms of our idle dreary days

seen the shadows grow

see an ominous display

with no alarm

could we say we d have expected this way

under stars have died

give incant to play
