

Un Dernier Verre  
Beirut

[Intro]

**F#**

[Verse 1]

**F#** **Bm** **E** **F#**  
Come sit at the table under October's able skies  
**Bm** **E** **F#**  
Once we'd seen eye to eye, I'd known that I'd pass you by, and I tried  
**Bm** **E**  
The bells chime seven times  
**Bm** **E** **F#**  
Completed at nine, the world moves slower, I find

[Verse 2]

**Bm** **E** **F#**  
No, but I learned of time by your hands  
**Bm** **E** **F#**  
And in shallow waters end I learned not to swim, but to lie  
**Bm** **E**  
I'll wait for now till it's ready to burn out  
**Bm** **E** **F#**  
I insist on doubts, we're already lying on the glass, the glass

[Outro]

**Bm E** (x4)  
**F#**
