Cekao sam sve dok nije shvatila

Dok oblaci su nebom plovili
Odnokud dopiru krici macaka
To ljubav boli njih, a mene gusi sad
Sporki stari grad, sporki stari grad

I heard her sigh, sigh from the decks
Saw a train set the night on fire
I smelled the spring (Bobby) in the smoky wind (Marley)
Dirty old town, dirty old town

Kada cvijeta kesten lud sam i zanesen
Proljetni je dan prosuo svoj prah
Imam groznicu, al ne smeta mi sad
Sporki stari grad, sporki stari grad

I met my love by the gaslight falls
Dreamea a dream by the old canal
I kissed my girl by the factory wall
Dirty old town, dirty old town
Sporki stari grad, sporki stari grad
Dirty old town, dirty old town
