Eve, The Apple Of My Eye - Bell X1

Chords by: Federico Quagliata

Intro: **A E F#m D**

Verse: **A E F#m D**

Â You left it, I sent it  
Â I want it back  
Â You left it, I sent it  
Â I want it back Â

Bridge: **D E**

Â If I had you here, I d clip your wings  
Â Snap you up and leave you sprawling on my pin  
Â This plan of mine is oh so very lame  
Â Can t you see the grass is greener where it rains

Chorus: **A E F#m D**

Â You left, I died,  
Â I went and you cried  
Â You came, I think  
Â But I never really know  
Â I ve served my time  
Â I ve watched you climb  
Â The wrong incline  
Â But what do I know

Verse: **A E F#m D**

Â Accept it, Don t let it  
Â Turn the screw

**A Bm E D**

Â Accept it, And let it  
Â Scream back at you

Bridge: **D E**

Â Now this applies both equally to you and I  
Â The only thing we share  
Â Is the same sky  
Â These empty metaphors  
Â They re all in vain  
Â Like can t you see the grass is greener where it rains  
Â  
Â In the garden Snake was a charmin  
Â And Eve said let s give it a try  
Â Now lead us not into temptation

Â But no matter how hard I try  
Â When in the garden and  
Â Snake is a charmin  
Â And Eve says let s give it a try  
Â Eve is the apple of my eye  
Â  
Â And I lie behind you  
Â And a cradle you in the palm of me  
Â And I pat your hair down  
Â I think will we sink or swim?  
Â Cause we could do either on a whim
