 REPEATS THE SAME CHORDS OVER AGAIN FOR THE NEXT VERSES & CHORUSES

Now we re clacking at computers
In the sickly light they throw.
All jonesing for wi-fi
So we can steal more tv shows.
Watching a 6 year old on youtube
Playing drums to billie jean.
Now this is the stuff that binds us
This and all those dairy creams.

I ll be your tongue.
You ll be my groove.
I ll be your positive.
You ll be my negative.
I ll be your tongue.
You ll be my groove.
I ll drive the get away.
And you bring the glue.

I ll be your velcro.
I ll be your velcro.
I ll be your velcro.

I ll be your velcro.
I ll be your velcro.
I ll be your velcro.

I ll be your velcro.

We re heading home airport screening
Man has his rubber gloves on.

He says there s explosive residue on the strings of my guitar?
Well that will be six weeks of sweat now
In a pop-rock combo.
Why don t you come and join us?
You can take all the solos?

I ll be your tongue.
You ll be my groove.
I ll be your positive.
You ll be my negative.
I ll be your tongue.
You ll be my groove.
I ll drive the get away
And you bring the glue.

I ll be your velcro.
