MORE OF YOU

G **D D4 D**
Hearts, burning like they were on fire, **Dsus4 = D4**

plans, changing our love to desire.
G D D4 D
Babe, my heart is screming to say,
Am D G
girl, we ought to go all the way.

[Chorus]

G D D4 D
I need more of you, changing my rain into sun,
Am D G
more of you, puttin`my blues on the run.
G D D4 D
I need more of you, darling, I need more of you,
Am D G
more - anything less wouldn`t do

[Verse 2]

G D D4 D
We had been together too long.
Am D G
strange, how did I love you too strong?
G D D4 D
There`s nothing to keep us apart.
Am D G
We got to catch up to a heart.

[Chorus]

G D D4 D
I need more of you, changing my rain into sun,
Am D G
more of you, puttin`my blues on the run.
G D D4 D
I need more of you, darling, I need more of you,

Am **D** **G**
more - anything less wouldn't do
