Artist: Belle and sebastian
Song: A Summer Wasting
Album: The Boy With The Arab Strap

E
Summer in winter
E
Winter in springtime
E
You heard the birds sing
E
Everything will be fine

F#m **B**
I spent the summer wasting
F#m **B** **A**
The time was passed so easily
F#m **B**
But if the summer s wasted
F#m **B** **A**
How come that I could feel so free
F#m **B**
I spent the summer wasting
F#m **B** **A**
The sky was blue beyond compare
F#m **B**
A photograph of myself
F#m **B**
Is all I have to show for

E **A**
Seven years of river walkways
E **A** **F#m**
Seven weeks of staying up all night

F#m **B**
I spent the summer wasting
F#m **B** **A**
The time was passed so pleasantly
F#m **B**
Say cheerio to books now
F#m **B** **A**
The only things I ll read are faces
F#m **B**
I spent the summer wasting
F#m **B**
Under a canopy of

E **A**
Seven weeks of reading papers
E **A**
Seven weeks of river walkways
E **A**
Seven weeks of feeling guilty
E **A** **F#m**
Seven weeks of staying up all night

E
Summer in winter
E
Winter is springtime
E
You heard the bird say
E
Everything will be fine
