

## Expectations

### Belle and Sebastian

[Verse]

**F# Bm F#**

Monday morning wake up knowing that you ve got to go to school

**Bm F#**

Tell your mum what to expect, she says it s right out of the blue

**Bm F#**

Do you went to work in Debenham s, because that s what they expect

**Bm G D A G**

Start in Lingerie, and Doris is your supervisor

**F# Bm F#**

And the head said that you always were a queer one from the start

**Bm F#**

For careers you say you went to be remembered for your art

**Bm F#**

Your obsessions get you known throughout the school for being strange

**Bm G D**

Making life-size models of the Velvet Underground in clay

**F# Bm F#**

In the queue for lunch they take the piss, you ve got no appetite

**Bm F#**

And the rumour is you never go with boys and you are tight

**Bm F#**

So they jab you with a fork, you drop the tray and go berserk

**Bm G D**

While your cleaning up the mess the teacher s looking up your skirt

**A G**

You ve been used,

**D A G**

Are you calm? Settle down

**D A G**

Write a song, I ll sing along

**F#**

Soon you will know that you are sane

**G**

You re on top of the world again
