[Verse]

F Bbm F

Monday morning wake up knowing that you ve got to go to school

Bbm F

Tell your mum what to expect, she says it s right out of the blue

Bbm F

Do you went to work in Debenham s, because that s what they expect

Bbm F# C# G# F#

Start in Lingerie, and Doris is your supervisor

F Bbm F

And the head said that you always were a queer one from the start

Bbm F

For careers you say you went to be remembered for your art

Bbm F

Your obsessions get you known throughout the school for being strange

Bbm F# C#

Making life-size models of the Velvet Underground in clay

F Bbm F

In the queue for lunch they take the piss, you ve got no appetite

Bbm F

And the rumour is you never go with boys and you are tight

Bbm F

So they jab you with a fork, you drop the tray and go berserk

Bbm F# C#

While your cleaning up the mess the teacher s looking up your skirt

G# F#

You ve been used,

C# G# F#

Are you calm? Settle down

C# G# F#

Write a song, I ll sing along

F

Soon you will know that you are sane

F#

You re on top of the world again
