Girl in the snow, where will you go  
To find someone that will do?  
To tell someone all the truth before it kills you  
They listen to your crazy laugh  
Before you hang a right  
And disappear from sight  
What do they know anyway?  
You ll read it in a book  
What do they know anyway?  
You ll read it in a book tonight

Boy on the bike, what are you like  
As you cycle round the town?  
You re going up, you re going down  
You re going nowhere  
It s not as if they re paying you  
It s not as if it s fun  
At least not anymore  
When your legs are black and blue  
It s time to take a break  
When your legs are black and blue  
It s time to take a holiday

(**Am** based) Solo

Kid in the snow, way to go

It only happens once a year  
It only happens once a lifetime  
Make the most of it  
Second just to being born  
Second to dying to  
What else could you do?  
What else could you do?  
What else could you do?  
What else could you do?  
Fox in the snow  
(When your legs are black and blue)  
Fox in the snow  
(It s not as if they re paying you)  
Fox in the snow  
(When your legs are black and blue)  
Fox in the snow  
(It s not as if they re paying you)
