

Get Me Away From Here, Im Dying
Belle and Sebastian

[Intro] **F**

F **C** **Dm**
Oh! Get me away from here I m dying

Am **Bb**
Play me a song to set me free

F **Bb**
Nobody writes them like they used to

C **F**
So it may as well be me

C **Dm**
Here on my own now after hours

Am **Bb**
Here on my own now on a bus

F
Think of it this way

G **Bb** **C**
You could either be successful or be us

Bb **C**
With our winning smiles, and us

Bb **C**
With our catchy tunes and words

Bb
Now we re photogenic

Dm **Am** **Bb** **F** **Bb**
You know we don t stand a chance

(**Bb** **F**)

F **C** **Dm**
Oh I ll settle down with some old story

Am **Bb**
About a boy who s just like me

F **Bb** **C**
Thought there was love in everything and everyone

F
You re so naive!

C **Dm**
They always reach a sorry ending

Am **Bb**
They always get it in the end

F **G** **Bb** **C**
Still it was worth it as I turned the pages solemnly, and then

Bb **C**
With a winning smile the boy

Bb **C**
With naivety succeeds

Bb **Dm**
At the final moment, I cried

Am **Bb** **F** **Bb**
I always cry at endings

(**Bb** **F**)

F **C** **Dm**
Oh, that wasn't what I meant to say at all

Am **Bb**
From where I'm sitting, rain

F **Bb**
Falling against the lonely tenement

C **F**
Has set my mind to wander

C **Dm**
Into the windows of my lovers

Am **Bb**
They never know unless I write

F **G** **Bb** **C**
This is no declaration, I just thought I'd let you know goodbye

Bb **C**
Said the hero in the story

Bb **C**
It is mightier than swords

Bb
I could kill you sure

Dm **Bb** **F**
But I could only make you cry with these words

Bb **F**
Cry with these words

(**Bb**)

F **Bb** **F**
Ooh! Get me away I'm dying

(**Bb** **F**)
