[tab]                    **Bbm**                    **B**

[tab]                    **F#**                    **B**  
Nobody writes them like they used to[/tab]  
[tab]                    **C#**                    **F#**  
So it may as well be me[/tab]

[tab]                    **C#**                    **Ebm**  
Here on my own now after hours[/tab]  
[tab]                    **Bbm**                    **B**  
Here on my own now on a bus[/tab]  
[tab]                    **F#**  
Think of it this way[/tab]  
[tab]                    **G#**                    **B**                    **C#**  
You could either be successful or be us[/tab]

[Chorus]

[tab]                    **B**                    **C#**  
With our winning smiles, and us[/tab]  
[tab]                    **B**                    **C#**  
With our catchy tunes and words[/tab]  
[tab]                    **B**  
Now we re photogenic[/tab]  
[tab]                    **Ebm** **Bbm**                    **B**                    **F#**                    **B**  
You know we don t stand a chance (we don t stand a chance)[/tab]

[tab]**B - F#**  
A few times[/tab]

< Same pattern as first verse >

[Verse 2]

Oh I ll settle down with some old story  
About a boy who s just like me  
Thought there was love in everything and everyone  
You re so naive!  
They always tell a sorry story  
They always get it in the end  
Still it was worth it as I turned the pages solemnly, and then  
  
With a winning smile the boy

With naivety succeeds  
At the final moment, I cried  
I always cry at endings

[tab]**B - F#**  
again a few times[/tab]

[Verse 3]  
Oh, that wasn't what I meant to say at all  
>From where I'm sitting, rain  
Washing against the lonely tenement  
Has set my mind to wander  
Into the windows of my lovers  
They never know unless I write  
"This is no declaration, I just I'd let you know goodbye"

Said the hero in the story  
"It is mightier than swords  
I could kill you sure  
But I could only make you cry with these words"

Cry with these words  
Ooh! Get me away I'm dying

[tab]**B - F#**  
to end[/tab]
