Verse 1:

C

Anthony walked to his death

G

Because he d thought he d never feel this way again

C

If he goes back to the house

G

Then things would go from bad to worse what could he do?

He wants to remember things exactly as he left them on that Wednesday

And if there is something else beyond, he isn t scared because

Em

It s bound to be less boring than today

C

G

It s bound to be less boring than tomorrow

G C

C

Hilary walked to her death because she couldn t think of anything to say

Everybody thought that she was boring, so they never listened anyway

Nobody was really saying anything of interest, she fell asleep

She was into S&M and bible studies

Em

Not everyone s cup of tea she would admit to me

C

Her cup of tea she would admit to no-one

Em

Her cup of tea she would admit to me

C

G

Her cup of tea she would admit to no-one

Hilary went to the catholic church because she wanted information
The vicar or whatever took her to one side and gave her confirmation
Saint Teresa s calling her, the church up on the hill is looking
lovely

But it doesn t interest, the only thing she wants to know is

How and why and where to go

How and why and where to follow

How and why and where to go

How and why and where to follow

Em

But if you are feeling sinister

D

Go off and see a minister

C

G

He ll try in vain to take away the pain of being a hopeless
unbeliever
