F#
I m glad to see you
B
I had a funny dream
A#m G#m
You were wearing funny shoes
A#m G#m
You were going to a dance
A#m Ebm A#m C# C#sus4 C#
You were dressed like a punk but you were too young to remember

F#
Glad to see you
B
I m outside the house
A#m G#m
I m not thinking right today
A#m G#m
I ve got no energy
A#m Ebm
I m glad that you were waiting with me
A#m C#
Tell me all about your day

Ebm A#m
Breaking off is misery
Ebm A#m
I see a wilderness for you and me
Ebm A#m
Punctuated by philosophy
G#m B F#
And a wondering how things could ve been

F#
I m happy for you
B
You ve made it hard for me
A#m G#m
I counted on your company
A#m G#m

You were staying with your friends tonight

A#m Ebm

I m feeling sorry for myself

A#m C#

I keep taking everything to be to be a sign

F#

I m happy for you

B

Now I know this hurt is poison

A#m G#m

Too sharp to be bled

A#m G#m

I m sitting on my empty bed

A#m

On my empty bed

Ebm A#m C#

At night the fever grows it s pounding pounding

Ebm A#m

I d rather be in Tokyo

Ebm A#m

Id rather listen to Thin Lizzy-oh

Ebm A#m

Watch the Sunday gang in Harajuku

G#m B F#

There s something wrong with me, I m a cuckoo

Middle 8: **F# B F# B F# C# F# C#**

F# B

Scary moment, lovin every moment

A#m G#m

I was high from playing shows

A#m G#m

We lost a singer to her clothes

A#m G#m

My trouble raised its ugly head

A#m

I was revealed

Ebm

And I was home in bed

A#m C#

I was a kid again

F# B

Jesus told me, go after every coin

A#m G#m

Like it was the last in the world

A#m G#m

And protect the wayward child

A#m

But I m a little lost sheep

Ebm

I need my Bo peep

A#m C#

I know I need my Shepherd here tonight

Ebm A#m

Breaking off is misery

Ebm A#m

I see a wilderness for you and me

Ebm A#m

Punctuated by philosophy

G#m B F#

And a wondering how things could ve been

F# G# A# C# F#

F#

Id like to see you

B

But really I should stay away

A#m G#m

And let you settle down

A#m G#m

I ve got no claims to your crown

A#m

I was the boss of you

Ebm

And I loved you

You know I loved you

A#m C#

It s all over now

F# B

I was there for you

When you were lonely

A#m G#m

I was there when you were sad

A#m G#m

I was there when you were bad

A#m

Now it s my time of need

Ebm A#m C#

Im thinking, do I have to plead to get you by my side?

Ebm A#m

I d rather be in Tokyo

Ebm A#m

Id rather listen to Thin Lizzy-oh

Ebm A#m

Watch the Sunday gang in Harajuku

G#m B F#

There s something wrong with me, I m a cuckoo
