Lisa met Chelsea at the knocking school
Chelsea didn t feel like following the rules
She left the place for another school
Where boys go with boys and the girls with girls

Chelsea wasn t one who s been abused
She changed her philosophy in 82
She says inch for pinch and pound for pound
Who needs boys when there s Lisa around

But in the first moment of waking up

she knows she s losing it, she s losing it
When the first cup of coffee clears the wahing up
she knows she s losing it, oh yeah she s losing it
She ghosted in the mirror, took it on her stop,
she knows she s losing it, oh yeah she s losing it
She stops to speak to anyone till 4 o clock
she s losing it, oh yeah she s losing, she s losing it.
