D A

You are waiting for the time

A D A
Mayfly, woken up when skys are clear

D A
I don t mind you coming near
D B

Keep me company till she comes again

A E/G
You are the one who s making do

D E
I am the one who s privy to

Bm C#m
Because you saw him in the park

D A D B
Because you saw him at the bridges with the people in the park

Cana was the start of something big
You were there in there in the beginning
You were there to see him play
Mayfly, woken up when sky s are blue
I don t mind the sight of you
Keep me company till she comes again

You are the one who s making do
I am the one who s privy to
Because you saw him at the celebrations standing at the side
He had the moves to make the day
But you would love him anyway
