**D** **C**  
We lay on the bed there  
**D** **Bm**  
Kissing just for practice  
**C**  
Could we please be objective?  
**G** **D**  
Cause the other boys are queuing up behind us  
**C**  
A hand over my mouth  
**Bm** **B**  
A hand over the window  
**C** **G**  
Well, if I remain passive and you just want a cuddle  
**D** **A**  
Then we should be ok, and we won t get in a muddle  
**C**  
Seeing other people  
**G** **A**  
At least that s what we say we are doing

**D** **C**  
How are you feeling?  
**Bm** **B**  
I don t think you can be dealing  
**C** **G**  
With the situation very well  
**D** **A**  
You take a lover for a dirty weekend, that s ok  
But when it s over

**C**                                  **G**                                  **A**  
You are looking at the working week through the eyes of a gigolo

**D**                                  **C**  
You re kissing your elbow  
**D**                                  **Bm**  
You re kissing your reflection

**C**                                  **G**  
And you can t understand why all the other boys are going for the

**D**                                  **C**  
New, tall, elegant, rich kids

**Bm**                                  **B**  
You can bet it is a bitch, kid

**C**                                  **G**  
But if they don t see the quality then it is apparent that

**D**  
You re going to have to change

**A**                                  **C**  
Or you re going to have to go with girls

**G**  
You might be better off

**A**  
At least they know what they re doing

**D**                                  **C**  
We lay on the bed there

**D**                                  **Bm**  
Kissing just for practice

**C**  
Could we please be objective?

**G**                                  **D**  
Cause the other boys are queuing up behind us

**C**  
A hand over my mouth

**Bm**                                  **B**  
A hand over the window
