The boy done wrong again  
                  **G**                                  **F**                                  **C**  
Hang your head in shame and cry your life away  
**C**  
The boy done wrong again  
                  **G**                                  **F**                                  **Em**  
Hang your head in shame and cry your life away  
                  **G**                  **C**  
Are you ok now?

On Saturday I was a angel shining fair  
You shone louder, longer  
You put my shine to shame  
Put me to shame now

What is it I must do to pay for all my crime  
What is it I must do?  
I would do it all the time

**F**                  **Am**                                  **Em**                                  **Dm**  
All that I wanted was to sing the saddest songs  
                  **Em**                                  **Dm**                                  **F**  
And if you would sing along I will be happy now

The woodland spring will put the darkness from your thinking  
If this town s your sinking ship  
Then you know where to jump

Talking dirty, for a hobby that s all right  
So pour another glass of wine

I ll think of England this time

**F**                    **Am**                    **Em**                    **Dm**  
All that I wanted was to sing the saddest songs

**Em**                    **Dm**  
And if you would sing along

**Em**                    **Dm**  
And if you would sing along

**Em**                    **Dm**  
And if you d only sing along

**C/F#**  
I will be happier
