Full Moon, Empty Heart

Sleepin now, now... sleepin now, now, now...[E,A,A,E]  
It s still night out, sleepin  
Don t look at me looking back at you  
Out the window backwards, out the window backwards[A,E,A,E]  
Sleep-----uh hoo uh hoo[E,A,A,E]

See this child twice stolen from me  
Out the window backwards, out the window backwards[A,E,A,E]  
Sleepin now, now... sleepin now, now, now  
Sleep-----now

Now fall to the bed, put your hand in your hair[D,A,E,A]  
Now fall to the tile, stick your finger in your eye[D,A,E,A]  
That s the only way you cry  
Now, now...[E,B,F#]

Full moon past the window sideways hey now hey now  
Sleepin now, now [out the window backwards][A,E]  
Sleepin now, now [out the window backwards]  
Sleepin now, now [out the window backwards]  
Sleep, sleep, sleep, uh hoo uh hoo, etc.
