Red

(Donelly, T. Gorman)

HERE IS MY FAVORITE OFF THE NEW ALBUM.

G **Bm**
Red, you look tired
Em
You look older than your mother
C
Where should I not touch?
Am
What should I not kiss?
D
Where does it hurt?

(SAME CHORDS)
Red, in your slumber
You look younger, so much stronger
Honey on your breath
Heaven in your head
Where does it hurt?

G G G G F
RedredredRED, oh

So long in this house
It s a big one full of scarecrows, even now
So you look ahead to the edge of a
Big metal sun over sunset
Overheated (over)
Welcome home, our only son
