HERE IS MY FAVORITE OFF THE NEW ALBUM.

Red, you look tired
        \mathbf{Em}
You look older than your mother
Where should I not touch?
What should I not kiss?
Where does it hurt?
(SAME CHORDS)
Red, in your slumber
You look younger, so much stronger
Honey on your breath
Heaven in your head
Where does it hurt?

RedredredRED, oh
So long in this house
It s a big one full of scarecrows, even now
So you look ahead to the edge of a
Big metal sun over sunset
