Red

        (Donelly, T. Gorman)

HERE IS MY FAVORITE OFF THE NEW ALBUM.

```
F#                    Bbm
Red, you look tired
         Ebm
You look older than your mother
                      B
Where should I not touch?
                    G#m
What should I not kiss?
             C#
Where does it hurt?
```

(SAME CHORDS)
Red, in your slumber
You look younger, so much stronger
Honey on your breath
Heaven in your head
Where does it hurt?

```
F#  F#  F#  F#    E
RedredredRED, oh
```

So long in this house
It s a big one full of scarecrows, even now
So you look ahead to the edge of a
Big metal sun over sunset
Overheated (over)
Welcome home, our only son

Redredred, oh
