Red

(Donelly, T. Gorman)

HERE IS MY FAVORITE OFF THE NEW ALBUM.

**A** **C#m**  
Red, you look tired  
**F#m**  
You look older than your mother  
**D**  
Where should I not touch?  
**Bm**  
What should I not kiss?  
**E**  
Where does it hurt?

(SAME CHORDS)  
Red, in your slumber  
You look younger, so much stronger  
Honey on your breath  
Heaven in your head  
Where does it hurt?

**A A A A G**  
RedredredRED, oh

So long in this house  
It s a big one full of scarecrows, even now  
So you look ahead to the edge of a  
Big metal sun over sunset  
Overheated (over)  
Welcome home, our only son

Redredred, oh

**E**

**A G D Bm**

Mm mm c-come open

**E**

Mouth like Venus

Mm mm c-come over (a)

Send a rocket to Red, and he goes coo-coo
