Im Here Below Average Bm G Okay girls, maybe I m not perfect like him. \mathbf{Bm} I know girl, I would never can be like him. G A but I m sure, I can do better than him. D G Bmand now girls. now you have to open your eyes. Bmyou must see, who is always there beside you. G me or him is always there beside you it feels like you break me down G when you talk about him to me it feels like thrown from the Eiffel Tower G when you praising about him to me G if you could see who was always there for you if you could see who was always cared for you Look over here, that was me, not him D G Bm Α how to make you understand that I m here Bmhow to make you forget about him G I m have spent every way to help yourself Helps you to forget all about him \mathbf{Bm} and now, I m hope you see me here \mathbf{Bm} and now, I m hope you forget about him Bm A

and now, I ${\tt m}$ hope you choose ${\tt me}$

D Α it feels like you break me down G when you talk about him to me it feels like thrown from the Eiffel Tower when you praising about him to me if you could see who was always there for you if you could see who was always cared for you Look over here, that was me, not him D it feels like you break me down when you talk about him to me it feels like thrown from the Eiffel Tower when you praising about him to me if you could see who was always there for you if you could see who was always cared for you Em Look over here, that was me, not him
