D/F# F
I have had all the riches of this world
D/F# F
They could never, ever take your place

C
I'm coming back to you my love
G
I've had enough of what I've become
Am
I'm coming back to you
F
I'm coming back to you

I am reaching up to a higher ground
But gravity has got a hold on me
But I know your love will see me through this darkness

I'm coming back to you my love
I've had enough of what I've become
I'm coming back to you
I'm coming back to you
Take my heart and make it clean
I'm overwhelmed as your grace covers me
I'm coming back to you
I'm coming back to you
