

Beautiful
Ben Caplan

Dm

Let s go out tonight
The moon is bright
The rain is right
You re out of sight

C

I wanna be near you

Dm

Lets go on a date
Don t hesistate
This could be great
It s not too late

C **F**

I wanna be near you

Dm

Or dance in the rain
It s not insane
Let me explain
Come pick my brain

C	F
---	---

As long as I m near you

Bb A

You tell me that we re too different

Dm

But darling how can you be sure

Bb A

How can you know what we are

Dm

If you and I never were

Bb **A**

All I know is that you re beautiful

Dm

You seem like a beautiful soul

Bb

And I could be wrong

A

And we wont get along

Dm

But I ve got to know for sure.

Dm

So come be with me
Our time is free

Baby, let s see
If we could be
C
Something beautiful

Dm
Yeah, come take a chance
A quick romance
Let s dance
Surrender to circumstance
C **F**
And become something beautiful

Bb **A**
You tell me that we re too different
Dm
But darling how can you be sure
Bb **A**
How can you know what we are
Dm
If you and I never were

Bb **A**
All I know is that you re beautiful
Dm
You seem like a beautiful soul
Bb
And I could be wrong
A
And we wont get along
Dm
But I ve got to know for sure.
