(muted stuming for this section)

I went down to the river  
flowing out unto the sea  
on my way to the ocean  
let the spirit swallow me.

```
Am                G
I got low down in the water
                C                D
I let the current guide my bones
Am                G
Ive got nine kinds of trouble
                D
Im just trying to find my way home.
```

(Riff)

[Verse 2]

**Am** **G**  
Over twenty-some years of living  
**C** **D**  
and a thousand wasted days

**Am** **G**  
I have loved a lot of women  
**D**  
Many times Ive gone wrong ways

**Am** **G**  
And I came down to the water  
**C** **D**  
For a dip, To cleanse my soul.

**Am** **G**  
They keep telling me that Im just a babe  
**D**  
But baby, why do I feel so old?....

[Instrumental]

**Am - G - C D**

[Pre-Chorus]

**Am** **D**  
This is the verge of a breakthrough  
**C** **E**  
its a fine line that cannot be bent  
**Am** **D**  
and I felt like I river run dry  
**C** **E**  
but I dont know where all of the rainwater went

**Am** **D**  
And I believed we were all dead or dying  
**C** **E**  
but I see different in the blue light  
**Am** **D**  
there is no such thing as a dawn or a dusk  
**C** **E**  
it is daylight until it is night

[Chorus]

**Am** **D**  
Youve got to fight through the dimming  
**C** **E**  
Youve got to run into the west

**Am** **D**  
Youve go to rage against the dying of the light  
**C** **E**  
Live for the moment thats left

**Am** **D**  
Youve got to fight through the dimming  
**C** **E**  
Youve got to run into the west

**Am** **D**  
Youve go to rage against the dying of the light  
**C** **E**  
Live for the moment thats left

[Post-Chorus]

**F**  
Cause there is no such thing as a dying man  
**Am**  
Were alive till the moment were dead  
**F**  
and a drowning man is just a living man  
**E**  
Who hasnt run out of his last bit of breath.
