[Verse 1]

(muted stuming for this section)

I went down to the river
flowing out unto the sea
on my way to the ocean
let the spirit swallow me.

```
Am                G
I got low down in the water
                C                D
I let the current guide my bones
Am                G
Ive got nine kinds of trouble
                D
Im just trying to find my way home.
```

(Riff)

[Verse 2]

Am **G**
Over twenty-some years of living
C **D**
and a thousand wasted days

Am **G**
I have loved a lot of women
D
Many times Ive gone wrong ways

Am **G**
And I came down to the water
C **D**
For a dip, To cleanse my soul.

Am **G**
They keep telling me that Im just a babe
D
But baby, why do I feel so old?....

[Instrumental]

Am - G - C D

[Pre-Chorus]

Am **D**
This is the verge of a breakthrough
C **E**
its a fine line that cannot be bent
Am **D**
and I felt like I river run dry
C **E**
but I dont know where all of the rainwater went

Am **D**
And I believed we were all dead or dying
C **E**
but I see different in the blue light
Am **D**
there is no such thing as a dawn or a dusk
C **E**
it is daylight until it is night

[Chorus]

Am **D**
Youve got to fight through the dimming
C **E**
Youve got to run into the west

Am **D**
Youve go to rage against the dying of the light
C **E**
Live for the moment thats left

Am **D**
Youve got to fight through the dimming
C **E**
Youve got to run into the west

Am **D**
Youve go to rage against the dying of the light
C **E**
Live for the moment thats left

[Post-Chorus]

F
Cause there is no such thing as a dying man
Am
Were alive till the moment were dead
F
and a drowning man is just a living man
E
Who hasnt run out of his last bit of breath.
