

**Drift Apart**  
**Ben Caplan**

Ben Caplan " Drift Apart

Capo second fret

Regular tuning

Intro: **G**

Verse chords: **C, E, Am, G, C, Am, F#**

Chorus chords: **C, Am, G, D**

Refrain: **E, Am, C, F#**

There s a bit of a pull on most of his D s, just listen to the song it s easy to pick up.

**C** **E**  
When I wrote you that letter  
**Am** **G**  
You d already made up your mind  
**C** **Am** **F#**  
All my words were writ in vain  
**C** **E**  
When I called you up that day  
**Am** **G** **C** **Am** **F#**  
I was only calling up to say hello  
**C** **E** **Am** **G**  
But goodbye  
**C** **Am** **F#**  
Was the words that you d been thinking bout for days  
**C** **E**  
Didn t know that you were going to leave me  
**Am** **G**  
Wish I knew the way to make you come home  
**Am** **F#**  
What can I do if this is right for you  
**Am** **C** **G** **D**  
I have not been perfect for you  
**Am** **C** **G** **D**  
Know I think I was back at the start  
**Am** **C** **G** **D**  
You have no more patience for me  
**Am** **C** **G** **D**  
So now I guess we ll both just drift apart  
**C** **E**  
All those times I wasn t there

**Am** **G**  
 The times you thought I didn't care  
**C** **Am** **F#**  
 I hope you can believe I thought of you  
**C** **E**  
 Cause you were everything I needed  
**Am** **G**  
 I've been selfish and so self absorbed  
**E** **Am** **F#**  
 I thought that you'd be waiting when I reached the other side  
**C** **E** **Am** **G**  
 Last night I put my arms around another woman's waist  
**C** **Am** **F#**  
 The touch was sweet but bitter while we danced

**C** **E**  
 Great love can bring greater pain  
**Am** **G**  
 I hope I fall in love again  
**E** **Am** **F#**  
 What can I do if this is right for you

**Am** **C** **G** **D**  
 I have not been perfect for you  
**Am** **C** **G** **D**  
 I like to think I was back at the start  
**Am** **C** **G** **D**  
 You have no more patience for me  
**Am** **C** **G** **D** **F#**  
 So now I guess we'll both just drift apart

(Lots of ladada with refrain chords)

**E** **Am**  
 I want the best for you  
**C** **F#** **C**  
 and now I realize that isn't me  
**Am** **C**  
 I haven't been the man you need  
**F#** **E**  
 I wish I'd been able to be  
**E** **Am** **C** **F#** **E**  
 I'm sorry that I did not give you everything that you desired  
**E** **C** **Am** **F#**  
 And that I made you feel upset when you just made me feel inspired

**Am** **C** **G** **D**  
 I have not been perfect for you  
**Am** **C** **G** **D**  
 I wish we could go back and just restart

**Am**                    **C**                    **G**                    **D**  
You have no more patience for me

**Am**                    **C**                    **G**                    **D**  
So now I guess we ll both just drift apart

Drift apart

(lots of ladada to the refrain chords)
