**Dm F**  
It s risky, people love to tear that down let em try

**Dm F**  
Do it anyway

**Dm F**  
Risk it anyway

::Verse::

**Dm F**  
And if you re paralyzed by a voice in your head

**Dm F**  
It s the standing still that should be scaring you instead go on and

**Dm F**  
Do it anyway

**Dm F**  
Do it anyway

::Verse::

**Dm F**  
There will be times you might leap before you look

**Dm F**  
There ll be times you ll like the cover and that s precisely why you ll love the book

**Dm F**  
Do it anyway

**Dm F**  
Do it anyway

::Chorus::

::Verse::

**Dm**

Call it surrender but you know that that s a joke
