**Dm C Bb Am**  
where the things i really cared about just left along the way  
**C**  
from being to pent up and proud

woke up way to late feelin hungover and old  
and the sun was shining bright as i walked barefoot down the road  
started thinkin bout my old man it seems that all men  
wanna get into their car and go

**Am Bb**  
any- where

**Bb C Dm Am**  
here i stand sad and free  
**Bb C Dm Am**  
i can t cry i can t see  
**Bb C**  
what i ve done  
**Dm Am Bb**  
oh god what have i done?

3rd verse (quiet)

blind man on a canyon s edge of a panoramic scene  
or maybe i m a kite just flyin high in random dangling a string  
or slumped over in a vacant room, head on stranger s knee  
i m sure back home they think i ve lost my mind

chorus

i didn t put the chords to the bridge-thingy cuz i m not sure what they are. i always just play the verse chords, but thats not really right. get back to me if you figger them out.
