this song is just piano, of course, but this is a guitar part i made
use standard tuning, acoustic guitar, or clean electric

riff 1:

e		-----	
B		----8-----8-----8-----8-6---6-----	
G		-9-----9-7-9-----9-7-9-----9-7-9-----9-----	
D		-----	
A		-----	
E		-----	

play that over the intro and the verses

For the chorus and the instrumental parts, improvise and mess around
with any of those notes or anything on frets 10 and 12 of any string.

it sounds quite cool.
