the first part is easy

C-D-E-G

the rising second part of the verse I have not figured out yet, although I know it starts with D and rises to G

the chorus is somewhat complex...

A-C-G-G-C-D-C

and the whoa-whoa section is basically jumping back and forth twixt D and G

That s it!!! all you are missing is the C7-D7-G7-D7-G7 in the whoa-whoa
part!!

I am still working on this six string of mine to figure out that last part.
Oh and the mother nature part.....I got it A-C7-G..... maybe it is just
me.....thanks mucho!
