

Narcolepsy

Ben Folds Five

Hey. This is Frank. Uhhh, yea this is Narcolepsy by Ben Folds Five, on The Unauthorized Biography of Reinhold Messner. I personally don t think this song is that great, except for the intro, which is the tab shown below. This played on piano, and I ll write out what notes to play and stuff, but I ll also write out the tab so you can convert the guitar notes onto piano. So here it is.

Alright, so here s the left hand: For the first 8 measures (4 beats) the left plays the notes C G G. Thats all for that part.

The right hand goes like this: Each note gets 2 beats. The notes are E B D A F B **E**.

That s part. You need to actually play it to make it good. I know this is confusing but once you got it sounds great.

Here is the tab for it if this is easier for you to figure out on the piano keys.

```

e---0-----|
B-----0-----3-----|
G-----0--0-----0--0-----0--0-----0--0-----0--0-----|
D-----|
A--3-----3-----3-----3-----3-----3-----|
E-----|

```

```

e-----|
B-----0-----1-----|
G--2-----0--0-----0--0-----0--0-----0--0-----|
D-----5--5-----5--5--3-----|
A--3-----3-----3-----3-----3-----3-----|
E-----|

```

```

e-----|
B-----|
G-----0--0-----0--0-----0--0-----0--0-----0|
D--2-----0|
A--3-----3-----3-----3-----|
E-----|

```

The next part would take to long to write so yea.

Left Hand: Play G and then G twice an octive higher.

Right hand: Start on B and quickly go up 4 white notes then down one, so that you end on C. Do the same thing on A, G, and F.

Thats all I have for you guys so enjoy. Frank Minella.
