NO CHORD:

If there s a god,
he s laughing at us
And our football team.

INTRO: **C**

VERSE 1:

C

Effington could be a wonderful f ing place
I can see it from the highway
And I m wondering

C

Are they f ing in their yards
f ing in their cars
f ing in the trailers and the backroads and the parking lots of Effington
Making my way to Normal, Illinois.

C

VERSE 2:

C

Maybe I should ditch this little white rental on the interstate
And start a new f ing life...in effington

C

I could change my name, grow a beard, start a family
Or I could just keep on moving on, moving on, moving on, moving on
Not stop til I get to Normal.
