**Errant Dog**
**Ben Folds**

This is my first tab. Noticed there wasn t one for errant dog. Enjoy

Edit: Some of the chords over the words are mis-aligned. A product of tabbing from an
iPhone I suppose.

verse:
```
F#7                      B7        E7              C#7        (F#7)

F#7                      B7              E7      C#7.       (F#7)
I had him tied to a tree, but he keeps getting out
D                              BbMajor7
He s probly runnin  loose with the bitches
D                                   B7
And when I catch him, I ll give him some stitches

Verse 2:
They re talking down at the spa

When he goes runnin  around

Gonna take him on court tv
Show the world what he s done to me

I ll drag his ass back home back where his ass belongs

Chorus: Errant dog! Errant dog!

Bridge:

```
C#m           B        A                     E           F#7
He s my everything, he means the world to me
```

```
C#m          B                            A        E          F#7
He s my hopes and dreams, fungible property

D                                        BbMajor7
Sometimes I wonder why I put up with his shit-
D                                        B7
If I could I would become a lesbian
F#7                              B7       E7          C#7
I know I said dead or alive, but really dead is fine

Chorus: errant dog! Errant dog!

        F#7
   Uhn!

-end
