::Intro::

**Em** - **A4/E** - **Em**

**Em** - **A4/E** - **Em**

:Verse #1::

**Em** **A4/E**

Ran out of time

**Em**

running my mouth

**Em** **A4/E**

Ran up a tab and

**Em**

all the way from

**A7/G**

Kalamazoo

**Asus4** **A** **Bsus4** **B** **Gadd2**

On my way back home

**Asus4** **A** **Bsus4** **B** **Gadd2**

I was surely stoned,

**B7**

**CM7**

now I m sober in my yard

**G**

Can believe I was there?

**B**

Can believe I ve been anywhere else?

::Riff::

**Em** - **A4/E** - **Em**

**Em** - **A4/E** - **Em**

**G**

But there was a time

**D/F#**

I almost forgot

**Em7**

**D**

we had been drifting all

the way from

**F#m7**

Kalamazoo, and I said that

**G**

I loved you too

**Em7 G F#**

All the way back home

::Riff::

**Em - A4/E - Em**

**Em - A4/E - Em**

::Verse #2::

**Em A4/E**

There s an old joke

**Em**

I just made up

**Em A4/E**

How many of me

**Em**

would it take to

**A7sus4/G**

screw up your life?

**Asus4 A Bsus4 B Gadd2**

One to settle down,

**Asus4 A Bsus4 B Gadd2**

one to turn you around

**B7 CM7**

Now I m sober in my yard

**Gmaj7**

I would say you had to be there,

**Gmaj7**

I forget that you re

**B7**

still there

**CM7**

**CM7 Gmaj7**

Seems like you d be frozen,

**Gmaj7**

frozen there in time

**Gmaj7**

Waving your goodbyes

**Gmaj7 Em**

Up to the sky

::Jam::

**Em - A - Em - D - C**

**Em - D - C - Em**

::Interlude::

**Em - A4/E - Em**

**G**

You place on the map

**D/F#**

has faded away

**Em7**

Used to be lost in

**D**

more than one way

**F#m7**

Kalamazoo, don t you know that

**GM9**

I ve been there too

**F#m7**

and it d put your mind more at ease

**G**

If you d say these words of release

**Bm7 GM9 F#**

All the way back home
