[Intro]

Bb Fm(add9) | Eb Bb | Ab Eb | Bb
x2

[Verse]

Bb
We d hit the bottom
F/A
I thought it was my fault
Gm7 Ebmaj7
And in a way I guess it was
F
I m just now finding out
Eb
What it was all about

Bb
We moved to the west coast
F/A
Away from everyone
Gm7 Ebmaj7
She never told me that you called
F
Back when I was still
Eb
I was still in love

[Chorus]

Bb Fmin
Til I opened my eyes and walked out the door
Cmin
And the clouds came tumbling down
Eb Bb Eb F
And it s bye-bye, goodbye I tried
Bb
And I twisted it wrong
Fmin
Just to make it right
Cmin
Had to leave myself behind
Eb Bb Eb D Min

And I ve been flying high all night

Cmin **F**

So come pick me up

F

I ve landed

Intro Riff:

Bb Fm(add9) | Eb Bb | Ab Eb | Bb x 2

[Verse]

Bb

The daily dramas

F/A

She made from nothing

G Min7 Ebmaj7

So nothing ever made them right

Bb Bb/F

She liked to push me

F

And talk me back down

Ebmaj7

Til I believed I was the crazy one

Eb

And in a way

Eb

I guess I was

[Chorus]

Bb Fmin

When I opened my eyes and walked out the door

Cmin

And the clouds came tumbling down

Eb Bb Eb F

And it s bye-bye, goodbye I tried

Bb Fmin

Treading the sea of her troubled mind

Cmin

Had to leave myself behind

Eb Bb Eb

Singing bye-bye, goodbye I tried

Cmin7 Cmin7/Bb

If you wrote me off

F/A

I d understand it

Cmin7 Cmin7/Bb

Cause I ve been on

F/A

Some other planet

Cmin7 Cmin7/Bb

So come pick me up

F

I ve landed

Ab Bb

And you will be so

Ab Bb

Happy to know

Bb Ab

I ve come alone

F

It s over
