Songs For Goldfish

Verse:

C G Am F G

C G Am F G

Chorus:

Dm F C G

Dm F C G

Verse: **C G Am F G** (x2)

You wait in the car

On the side of the road

Let me go and stand a while

I wanna know you re there

But I wanna be alone

Chorus: **Dm F C G** (x2)

If only for a minute or two

I wanna see what it feels like to live without you

I wanna feel the touch of my own skin

Against the sun, against the wind

Verse: **C G Am F G** (x2)

I walked out in a field

The grass was high and it brushed against my legs

I just stood and looked out at the open space

And a farm house out a little ways

Chorus: **Dm F C G** (x2)

And I wondered about the people who lived in it

And I wondered if they were happy and content

Were there children and a man and a wife

And did she love him and take her hair down at night

Verse: **C G Am F G** (x2)

If I stray too far from you

Don t go and try to find me

It doesn t mean that I don t love you

It don t mean that I won t come back and stay beside you

Chorus: **Dm F C G** (x2)

It only means that I need a little time
To follow that unbroken line
To a place where the wild things grow
To a place where I always used to go.

Solo (Verse chords) **C G Am F G** (x2)

Chorus: **Dm F C G** (x2)

If only for a minute or two,
I wanna see what it feels like to be without you
I wanna know the touch of my own skin
Against the sun, against the wind.

Enjoy
