Time by Ben Folds From Songs for Silverman

here s the riff he plays, but the root notes differ a little bit from the chords
so watch out if you two guitarists playing both at the same time.

```
e|-----|
B|--7-7-7-----|
G|-----6-6-6-6-7-7-7-7-----|
D|-----5-4-5-4-0--|
A|--5-5-5-----|
E|-----3-3-3-3-7-7-7-7-5-5-5-5--|
```

here s the chords, if you choose to play them during the verse instead of that riff.
