```

A E A E A E B

I learned to say goodbye, to say goodbye too young

A E A E

I learned to duck from words

A E B A

like bullets from a gun

A C#m B E

how long can you pray, how long can you pray

E A

and still not see a change

C#m B A A

I faithfully remain, faithfully remain

A E A E

some things, some things

A E B

you have to let be lost

A E A E

some battles, some battles

A E B A

you have to leave unfought

A C#m

then the truth just wastes away

C#m B

in all we dare not to say

E A

and in all we can't explain

C#m B A A

but I faithfully remain, faithfully remain

C#m E A E C#m B A

A E

Now I'm afraid

A E A E

once again, once again

A B

it has come to this

A E

when it all goes dark

A E

nothing stays the same

A E B A

now I'm only what I miss

A C#m

and my memories

C#m

they turn to tears

B E A

they turn to fire blood and pain

C#m B A A

and I faithfully remain, I faithfully remain

C#m B A A E

and I faithfully remain, I faithfully remain
